Elementary District Starts Looking For New Superintendent

Trustees this week took the first steps in their search for a new superintendent to direct Jefferson Elementary School District—a job that will be open July 1 when H. Z. Weibel ends nearly eight years at the helm.

Weibel, by direction of the board, has notified various placement agencies to recommend candidates for his post and letters have been sent to educators at six California institutions, asking the latter to assist the board as a screening committee.

The placement agencies are San Jose State College, University of California, Stanford, UCLA, USF, San Francisco State College and the California Teachers Association.

Invited to serve on the screening committee are James Tormey, county superintendent of schools; Arthur Corey, executive secretary of the California Teachers Association; I. J. Quillen, dean of the Stanford school of education; Dr. Robert Smith, head of the department of education administration at SF State College; Dr. Henry C. Hall, USF, and Dr.

William Brownell, University of California.

The placement agencies will forward their nominations to the district, which in turn will submit the material on the candidates to the professional screening group.

This group will then examine all the applications and recommend the most qualified applicants for consideration by the board. The board then will conduct personal interviews of the candidates.

Weibel presented a letter to trustees Monday night on the qualifications desired for the new superintendent. But trustee Frank Verducci said he wanted to revise the qualification statements and then meet with the screening committee.

The screening committee tentatively is scheduled to meet on the project for the first time the last week of January.

Weibel, 54, will terminate his superintendency on June 30 of next year. The board notified him last December that his contract would not be renewed.

Weibel will remain with the district after next July as educational consultant in charge of new school construction. He subsequently will become principal of one of the new schools scheduled to open here early in 1960.

2 PALISADES HOMES RAIDED BY BURGLAR

Daly City police are almost certain the burglaries at two Palisades homes Sunday night were staged by the same culprit—probably a juvenile.

The "modus operandi," or method, used by the invader in each case was too similar to merely be coincidental.

The thief hit the homes of John J. Chiatello, 84 Menlo avenue, and Harry J. Lee, 168 Northridge drive.

Both residences were entered via the back bedroom windows, broken open by the intruder. In both raids, the burglar did a thorough ransacking job, though he left many valuable items behind. And he also took time at both sites to drink Kool-aid and cider from the ice boxes.

Chiatello, whose home was raided between 6:30 and 10:40 p.m., said his missing property was valued at \$328. This included a clock radio, a 35 mm camera, two watches, one suit, a sport jacket and slacks, and \$20 from a broken piggy bank, according to Officer Al Niccolini.

At Lee's home, the thief's haul was valued at \$510, covering a set of golf clubs, another piggy bank (containing \$250), a sweater, and an army duffel bag. Officer J. R. Wetmore said the invader this time wrote in lipstick "The Cat" on Lee's front door and bedroom mirror. Lee said his family left home at 3 p.m. Sunday and returned about 1 a.m. Monday.

Police feel a juvenile was responsible because of the lipstick inscriptions. Professional burglars seldom leave this type of clue, officers said.

Schools Let Out

Daly City's public and parochial school youngsters leave classes for the Christmas holiday this Friday afternoon and won't return until Monday, January 5.

Crap Game Brings Arrest Of Four In Lunch Room

A crap game resulted in the arrest of four men here Monday night in the lunch room of Goodwin Roofing Company, 861 Junipero Serra boulevard. Sgt. David Hansen and Officers Jim Bergstrom and Jim Underland made the raid about 11 p.m.

They arrested David Bernstein, 52, of 1929 Junipero Serra boulevard; Vander Allen, 36; Homer Allen, 29, and Walter Brown, 36. The latter trio are laborers from San Francisco.

Vander Allen was charged with refusing officers entry, the others for gambling in violation of city ordinance.

A pair of dice and \$1.75 were in the table when the officers entered.

The four men each posted \$50 bond. They are due in court Tuesday.

Trustees Demand Better Fire Safeguards

HE'S not playing possum—he is one. The four-foot fugitive from the San Bruno mountains aroused RECORD employees last week after a passerby noticed the critter hiding below the front office staircase. Tony Morelli (left) and Sam Felsner thought he would make a nice Christmas present. But they turned him loose—in the hills—to show the real holiday spirit.

THE RECORD photo

\$15,000 Damage Claim Filed In School Accident

A \$15,000 damage claim has been filed against Jefferson Elementary School District by the parents of a Colma Primary School student for injuries the boy allegedly suffered in a mishap on October 15 in the school yard.

Oriel D. Moreno, 698 Florence street, charges the school district with negligence, claiming his son, Mark, was seriously injured when another boy fell on top of him from the "monkey bars," a playground recreation device.

Moreno says his son sustained a badly injured right leg and numerous bruises.

The school board read the claim Monday night and referred the matter to the district attorney and the district's insurance company for a settlement.

Council Bows Out
DC Council will wind up a busy year next Monday night in the last regular meeting of 1953. The session begins at 8 p.m. at 75 Wellington avenue, second floor.

PROBE GOES DOWN THE DRAIN

Unification Study Ends With Uproar

The study on unification of Jefferson High School District "died" explosively here Thursday night.

The augmented committee, at work on the study since last year, voted "no" to submit unification for a decision by residents of the five districts involved.

The count was eight "no" and five "abstain" votes. Four of the abstentions came from members of the county committee. The fifth was voiced by Jefferson Elementary School board, whose representatives touched off some brief verbal fireworks before the issue was settled.

Bayshore, Brisbane and Laguna Salada elementary districts and the high school board stood pat in opposing continuance of the study, then remained firm in the move to kill the unification proposal for public balloting.

Tom Noonan, Jefferson Elementary trustee, sparked the uproar at the outset when he moved from the floor (as a member of the augmented committee) that the study be continued. His fellow board member, Frank Verducci, seconded the motion.

Representatives of the other four school districts immediately challenged Noonan's parliamentary procedure, with

a chorus of statements that the meeting was set up only for a vote on whether to continue or drop the study.

Noonan said the committee hadn't given sufficient facts

'SANTA CLAUS' PROJECTS AIDS 66 FAMILIES

Sixty-six Daly City families will be happier next Tuesday when Daly City's annual "Operation Santa Claus" is executed by the community-wide committee.

Food, toys and clothing will be delivered to these less fortunate folks by firemen in a caravan of 12 trucks. The committee will meet Monday to segregate the bundles for Tuesday's deliveries.

The toys were collected by the Marine unit at San Bruno as part of its annual "Toys For Tots" project. Firemen repaired many of the toys and they look like new.

There's still time to donate money, food, toys and clothing. Call either of the co-chairmen today. In charge are Pete Markovich, PL 5-2262, and Fire Chief Elmer Kennedy, PL 6-0496.

in its three previous meetings on its finding and hinted that most of the committee members embarked on their reports with "closed minds"—even before the first phase of the unification report was presented.

"This is a big problem," said Noonan. "What's the hurry? Even if this study takes two years, I think the people of these districts deserve to know the facts, one way or the other."

But Noonan's proposal fell on dim ears.

Lyle Edson, Jefferson High School board, asked that Noonan's motion be tabled. Then a vote was called on continuing the study.

The first vote (each member of the committee allowed one ballot) tabled Noonan's motion by a 13-10 tally. The second vote, on continuing the study, went 13-10, with the "no" tally in the majority.

Ingersoll then asked for a verdict on submitting unification. (Continued on Page 2)

Planners OK Cement Man's Zoning Request

After many weeks of delay, the city planning commission last week approved C-2 zoning on the land bordering Marchbanks Park, owned by Dominic Piccinini, cement contractor.

This recommendation goes to the council next week for final approval.

The planners' verdict came despite continued protests of nearby property owners. Chairman Tony Masini did not allow comments from the audience on the zoning because he said the public hearing already had been closed.

The home owners near the Piccinini parcel claim the planned commercial warehouse operation will lower their property values and create other detrimental conditions.

Piccinini's parcel lies north of Westlake avenue and south of the rightfield boundary of the park. The city last week bought the northern half of the parking lot area from Piccinini for \$16,670. This will be paved for the convenience of park users.

In other main business last week, the planners accepted the renaming of Edgemoor road and Westmoor avenue between Ocean Grove and Junipero Serra to "Eastmoor" avenue. This name actually was the idea of City Clerk Evelyn Mosmar.

REMEMBER CHICAGO?

Older Schools Here Don't Have Alarms

The elementary school board, recalling the fateful parochial school tragedy in Chicago, Monday night asked the administration for strict enforcement of fire safety measures in the 13 schools.

This "immediate action" proposal, voiced by trustees Frank Verducci and Tom Noonan, came after the board authorized an expenditure of \$3100 for alterations at old Thornton School, 100 Castle street, to be done during the Christmas holidays.

Thornton failed to pass a

recent inspection by the fire marshal and the latter recommended prompt alterations to bring the ancient plant up to safety standards.

The job at Thornton will require installation of thicker walls, fireproofing materials and new exits. The school houses 129 students—fifth and sixth graders and the district's mentally retarded classes.

Trustees were challenged on the Thornton project by Mrs. Jacqueline Panages, 95 Fleetwood drive, who spoke from the audience after the motion was passed. The housewife, mother of three children attending district schools (but not Thornton), said if the school didn't meet the specifications of the state field act (structural safety), it should be condemned instead of repaired.

"You have a moral responsibility to safeguard our students," charged Mrs. Panages. "You don't even know if the building is safe, yet you are willing to go ahead and authorize \$3000 for improvements and let the matter of safety go neglected."

She continued, "I would prefer double sessions to having children housed in buildings that aren't safe by state standards. You should have this school checked to see if it passes field act requirements."

Supt. M. Z. Weibel admitted that he did not know if the school would pass the field act, citing that both Pershing School and Thornton were built before the state act was passed (in the 1930's).

"We don't know for sure," Weibel added. "But if the State Division of Architecture were to inspect Thornton and determine it unsafe, then the decision to close the school and the liability would fall on the school board."

Chairman Joseph Lewkowicz told Mrs. Panages the

(Continued on Page 2)

Woman Tripped By Purse Thief On Los Olivos

Elizabeth Aksel, 64, a bank employee, was the victim of a strong-arm robber Monday night about 9:15 o'clock while she was walking home on Los Olivos avenue.

She said she was tripped from behind by a young man who then grabbed her purse containing \$20 and fled.

This occurred in front of 182 Los Olivos, a block away from her home. A neighbor reported the incident to police and Officer Jim Bergstrom checked the details with Mrs. Aksel at her home.

DC Man Dies After He's Hit By Auto Here

Gus Gisler, who lived at 6454 Mission street, died Wednesday morning at Community Hospital a few hours after he was struck down by a car at the Bepler street - San Jose avenue intersection.

The tragedy was Daly City's first pedestrian fatality of the year. It occurred about 6:30 a.m.

Gisler, occupation and age not known at press time, apparently was crossing against the red light when he was hit by an auto driven by Robert A. Caramazza, 19, of 12 Price street, Daly City.

Caramazza, accompanied by his brother, Donald, said he was going about 20 miles an hour north on San Jose with the green light. He said another car in the inner lane blocked his vision and he did not see the victim until he was tumbled onto the hood of the car.

Officer J. R. Wetmore said there was no evidence that the youth was at fault.

BIGGEST Xmas present for the police department itself. The staff, urged by secretaries (left to right) Thelma Stockman, Helen Sherwood and Josephine Runne, is donating \$100 (\$2.50 each) to PAL instead of exchanging Christmas cards. If you'd care to donate a dime or dollar, call the cops.

Car Wash Aids B'nai Brith Girls Group

The Skyettes, Westlake Chapter of B'nai Brith Girls, raised funds last week by staging a car wash day at the Union Station operated by Jim Banks.

New officers will be installed Sunday evening at Temple Shalom, starting at 8 o'clock. They are: Pam Klein, president; Carol Cooper, vice president; Judy Mann, secretary; Robin Goldman, corresponding secretary; Carla Robbins, treasurer; Beverly Diamond, sentinel; and Babs Roth, historian.

Next meeting of the group will be held next Monday. All girls interested in joining the B'nai Brith Girls should contact Pam Klein at PL 6-3891.

'Stimulating' Theft Arouses Salesman

Salesman Lavern Wentzell, who lives at 95 Westmont drive, ran into a non-paying "customer" Monday night.

He reported the theft of a \$269 massage kit from his panel truck, parked in front of his home. He remembered he left the truck unlocked.

The thief struck between 5 and 9 p.m.

Apparently the culprit wanted only one massage unit. He failed to touch several others that were in the vehicle.

The winter convention, December 26-28 in San Francisco, will climax the local unit's year.

Council Cites 'Nuisance' On Woodrow Street

Bernard Done, of 77 Theta street, must clean up the littered lot he owns at 275 Woodrow street within the next 30 days or he will be prosecuted by the city as a nuisance violator.

The council so moved last week on recommendation of City Manager George Watts and Administrative Assistant Phillip Brown.

Brown reported that the first complaint on the sorry condition of the lot was received by his office from a Woodrow street resident last August. Three other neighbors also protested but Done didn't do much to eliminate the nuisance despite continued urgings, Brown said.

Brown's lengthy report to the council last week termed the lot still in "a general rundown condition" and that Done had been using the rear portion of the property as a dumping grounds for assorted wood, construction material, broken concrete, pipes, et cetera.

Prosecution on the nuisance charge comes under city ordinance.

OLDER SCHOOLS HERE HAVE NO ALARMS

(Continued from Page 1) school board was "doing everything possible to assure the safety of students throughout the district."

"What else can we do," asked Lewkowitz. "We're trying to avoid double sessions." Mrs. Panages, however, said she was not satisfied with the answers she received from the board and the administration. In fact, trustees and the administration dropped the matter without further comment.

Verducci continued his fire safety inquiries by asking Asst. Supt. David Shapiro if all the schools have fire alarm boxes. Shapiro said the new schools do, but not the older ones.

Verducci then asked that Shapiro get a cost estimate from the fire department on installing adequate fire alarm devices in all the schools. Shapiro informed that all schools, by state law, are required to have fire drills once a month. Verducci said the principals should double the amount of fire drills.

Verducci and Noonan both urged more inspections by the administration to check fire safety procedures and compliance at the schools.

"Employees (custodians) who don't heed fire safety regulations (storage of refuse and waste materials) should be dismissed immediately," said Noonan.

Noonan also asked the administration to study exit routes used by students during fire drills.

"We should work out some alternate routes, too," he said.

'Unified' Schools Study Dies Here With Fireworks

(Continued from Page 1)

tion to the people for a decision. Abstaining (which gave these votes to the majority) were Jefferson Elementary District, and these members of the county committee on school district reorganization: Paul Bradley, who said it was "precipitous" for a vote at this time; Mrs. Helen Kerwin, Sequoia District; Mrs. Katherine Mullen, Jefferson Elementary; and Walter Truce, of Belmont.

Mrs. Mullen's remark that the reason the four other districts were against continuing the study was "because you're afraid you'll lose your jobs," brought angry rebuttals, especially from Robert Hale, veteran Laguna Salada trustee.

Hale termed Mullen's statement "insulting and insinuating." He also blasted the county committee for allegedly "forcing unification down our throats, and I think the district attorney should be called in to investigate."

The weary county board members, however, soberly reminded Hale that they were impartial and had spent much of their time on the study and didn't quite appreciate his accusations.

Observers felt the county committee majority voted down the unification proposal because trustees of four of the five districts were firmly against continuing the study.

PERSHING ARCHITECT: NO DECISION

(Continued from Page 1)

settling of the soil. Noonan also asked that the board contact St. Ignatius High School officials for the latter's plans on developing (grading) the property north of the Rivera site. The Catholic school is negotiating for the 12 acres with Henry Doelger.

2. Accepted completion notice on Vista Grande school, by 3-1 vote. Mullen was against the acceptance.

3. Refunded \$600 of \$772 deposit filed by Bayside Paving Company for slope drainage contract at Vista Mar School. Bayside lost the bid because it was unable to obtain a bidder's bond by deadline time.

4. Approved new boiler controls at Colma Intermediate School, cost of \$639.17.

5. Authorized \$423 for new wiring at Ben Franklin School shop for industrial arts program.

6. Granted central office staff and classified employees extra holidays, December 26 and January 2, same practice of other local school districts.

7. Adopted handbook provisions on teachers salary schedule. Fifteen teachers will have their pay steps adjusted.

MEXICAN VISITORS

Over 600,000 Americans visited Mexico during 1957, reports the California State Automobile Association.

Westmoor PTA Holiday Fete Raises \$1000

Over \$1000 was netted by the Westmoor PTA holiday event, according to a report made by Mrs. Howard Dunbar, general chairman, to the PTA executive board at its recent meeting in the home of Mrs. Richard Molison.

All 600 dinner tickets were sold, and 512 dinners were served at the successful affair held December 6 in the Westmoor High School cafeteria.

The entire operation went smoothly without a hitch due to careful pre-planning of the committee in charge.

The school varsity and faculty basketball game after the dinner, sponsored by the PTA, attracted some 500 sports fans.

A very attractive display booth to show holiday gift ideas prepared by PTA ladies brought scores of interested buyers. However, there are a few gift items left for last-minute shoppers. These gifts include some aprons, corsages, table decorations, holiday candles, two can-can covers and six kissing rings. The items are reasonably priced and may be obtained by telephoning Mrs. Dunbar, PL 5-5100.

Westmoor principal, Glenn South, received a special "thank-you" from the PTA for the excellent cooperation given by the school group to the annual fund-raising activity.

The committee for the event was as follows: Mesdames Dunbar, R. Dudley, Gene Sebastiani, E. Hanley, L. Marlowe, B. Pulsifer, R. Fischel, A. Borreto, J. Cooper, E. Chaney, L. Tealdi and L. Green.

Funds raised by the PTA will be used for such items as student scholarships, school welfare and student social events.

Police Folks Are Preparing One Big Gift

The folks concerned most about the future of Daly City's Police Athletic League again are wrapping one big Christmas present this year.

The entire 40-member staff of the police department is donating \$2.50 each to PAL instead of sending out individual Christmas cards to one another. This will bolster the PAL treasury by \$100.

PAL directors may have to restrict activities if funds continued to remain "too limited," according to John Coleman, president of the youth organization.

Citizens wishing to donate to PAL—50 cents or \$100—are asked to contact the police department, PL 5-0850.

Chamber Sets Festive Meet

This Thursday noon's Chamber of Commerce meeting at Westlake Joe's will feature a Christmas program, with members and their wives participating.

Parkes Harris, chamber president, announces that the annual membership drive will begin in the next few weeks, under the committee chairmanship of Edward Morgan.

Chamber officers are Vice President Lou Pisani, Secretary Jack Kendree and Treasurer William Sweeney Jr. Board of directors includes Gene Blackstone, Elio Fontana, Ray Logan, Frank Martorana, Fred Martin, Walter McRae, Vince Murphy, Joe Rohl, Herbert Sharpe and Hugh Smith Jr.

Elementary Kids Donate \$329 To Junior Red Cross

Boys and girls in the Jefferson Elementary School District have just completed enrollment in the American Junior Red Cross by turning over \$329.80 to the Junior Red Cross Service Fund.

Enrollment entitles boys and girls to participate in many worthwhile projects at home and abroad which stimulate understanding and good will among young people. They are given many opportunities to develop skills, leadership ability, and citizenship.

Red Cross activities are coordinated by a teacher-sponsor in each of the district's 13 schools. The teacher-sponsor interprets the Junior Red Cross program to teachers and students.

Israel has a traffic death rate five times that of the United States, reports the National Automobile Club.

Xmas Contest Judging Friday In Westlake

Santa Claus will arrive early in Westlake this Friday night when judges select the winners in the annual Christmas Decorations Contest, sponsored by Westlake Improvement Association and builder Henry Doelger.

The judges, WIA officials and Doelger will take a street-by-street motorcade tour of all nine Westlake units from 7 to 9 p.m. Prize winners will be announced next week.

Prizes will go to the best outside decorations in all nine units, the most colorful window decorations, and multiple home decorations (two to seven adjacent homes).

The grand prize winner will receive the association's perpetual trophy (to keep for a year) and a permanent trophy.

All the winners will be feted at a banquet at Westlake Joe's early next year.

The judges are Mayor Michael DeBernardi, City Manager George Watts, Superior Court Judge Frank Blum, Municipal Judge Tom Bocci Jr., Postmaster Vincent Murphy, and Fred Bertetta.

Virgil P. Anderson, member of the WIA board, is general chairman of the contest. Doelger is honorary chairman and has donated five of the prizes.

MUIR WOODS

The largest tree in Muir Woods redwood grove is 246 feet high and 17 feet in diameter, reports the California State Automobile Association.

WHAT'S DOING

A. C. Latino, your Telephone Manager in Daly City

Wherever your voice goes, telephone patrols keep a careful watch over the lines that carry your calls. And here you see a sky patrol in action. Every day the pilot or his partner check 350 miles of cable, most of it underground. They're on the lookout for landslides or construction work that could cause trouble. By using a loudspeaker on the plane, or by dropping notes, they can warn anyone working near a hidden cable. Time and again, cable patrols have headed off costly damage. And they've helped make your telephone service more dependable than ever.

Remember our contest to find out about memorable long distance calls? Well, lots of people wrote in and told about their interesting experiences with long distance. For instance, one of the two winning letters was from Mrs. D. D. Bracken, 3499 Bryant Street, Palo Alto (above with Telephone Manager R. R. Maloney): "Several years ago my husband and I drove to Fort Wayne to visit our daughter who was living in the suburbs there. Then we lived closer to her but still about 5 hours away. When we got home, we were very tired. . . . About 2 a.m. a long distance call came from our daughter, hysterically telling us that they couldn't find "Bobbie," their 2-year-old son. As I tearfully tried to give her hope, my husband went to the car. He fairly flew back with "Bobbie" in his arms. He had found the little fellow hidden on the floor in the rear seat of the car. Bobbie sleepily cooed "Mommie, Mommie," into the phone and my daughter just about fainted at the other end of the line. How he ever managed to get into the car, we'll never understand!" 'UNITED FRONT' AGAINST TAXES

In view of the seriousness of the financial situation facing the taxpayers in the 1959 session of the State Legislature, the executives of California Taxpayers' Association met with local Taxpayer Association officials from throughout the state last week. It is estimated by some state officials that the current and accumulated deficits of the state's general fund will approximate \$300,000,000 as of June 30, 1959.

The all-day meeting was held at Los Angeles at the invitation of Cal-Tax to discuss plans for coordinated efforts on problems of government spending in areas of common interest.

Many of the issues of the forthcoming legislative session will affect all taxpayers similarly, either because of an overall state-wide application or because of having a common effect at the local level.

Because of the threat of a much greater burden on the taxpayer and the need for substantial reductions in government spending through more efficient operation, a more aggressive interest on the part of the organized taxpayers and a united front in the presentation of their views was deemed essential by the delegates to the conference.

The meeting closed on a note of complete agreement to work in close harmony for more governmental efficiency and economy at all levels.

MANY LEAGUES TO BEGIN NEXT MONTH AT NEW WESTLAKE BOWL

The many applications already received are being reviewed and fitted into the various leagues being formed. Organizational meetings will be held during the last week of December.

Men's handicap leagues are scheduled for each night, Monday through Friday. A women's handicap league will be held Monday evenings and there will be mixed leagues Tuesday through Friday. Special leagues are: 2:30 a.m. Night Owl Men's Handicap on Tuesdays, 800 Men's Scratch league on Fridays, Junior leagues Saturday morning, and mixed fours handicap leagues Saturday and Sunday evenings. With this schedule, all members of the family have an opportunity to participate in league play, while there is open play 24 hours daily.

The opening ceremony

ies found the Police Athletic League receiving well over \$300 for its athletic fund from Henry Doelger and Johnny Swanson, based on the pins knocked down and left standing when local dignitaries bowled the first ball on each of the 32 lanes.

During the week following the opening, special matches were held each night between various groups, the Police Department and Fire Department, Army and Navy representatives, Italian Swiss Colony and Miller High Life, as well as individual match games. In the near future there will be exhibitions by national bowling stars.

The latest addition to the Bowl is the "Pro Shop" where balls, bags, shoes and other bowling supplies are offered for sale. Gift certificates and bowling script are available for Christmas shoppers.

Letters To The Editor

Citizen Cites 'Eyesore' At Palisades Tank

Dear Editor: There is an old saying "au revoir." Unfortunately, in the Palisades section of Westlake this is now changed to "au reservoir."

When we moved here we were assured that the unsightly wooden tank would be removed as soon as the reservoir was fixed. It has been fixed for some time now but the wooden tank remains. In front of this tank there is now a cement block building which houses the water company's controls. This is fine—at least the water doesn't stop running several times a day as it used to. However, during the building of this latest addition there has accumulated a large pile of rocks, dirt, and, in general, debris, topped by a beer carton. It would seem to me that the Daly City Water Department could have this area cleaned up, and also that the hill surrounding the permanent reservoir be landscaped.

Something should be done about this "eyesore" in the Palisades.

Sincerely,
Henry N. Jaffa
501 Westmoor avenue
Daly City

Lutheran Council Cites Coverage

Dear Mr. Bradshaw: On behalf of the Lutheran Inter-Church Council, I want to take this opportunity to thank you for the consideration and cooperation you have given our organization this past year.

We certainly appreciate the fine coverage you have always given to us.

Very truly yours,
Elmer Ohlendorf
Council Chairman

West Portal Church Tells Yule Services

West Portal Lutheran Church, 200 Sloat boulevard, will observe the Christmas season with five special services next week. Vicar of the church, Ted Laesch, and Chaplain Herman Heuer, vacancy pastor of the congregation, will lead and assist in the Christmas celebrations.

Children's Christmas services will be held on Sunday, December 21, at 4 and 7 p.m. Vicar Laesch, together with the children of the Day School and the children of the Sunday School, will tell the story of the Savior's birth. Christmas candlelight services will be conducted on Christmas Eve at 7 and 11 p.m. Special Christmas music will be presented by the choir of the church under the direction of Vern Liermann. Vicar Laesch will preach at both services using the theme: "The thrilling joy of Christmas."

The Christmas Day festival service will commence at 11 a.m. and will again feature special music by the choir of the church. Chaplain Herman Heuer will speak in the service.

West Portal Lutheran congregation will also celebrate the passing of the year 1958 with a special service on December 31 at 8 p.m., and the beginning of the new year with a service on January 1 at 11 a.m.

RALPH FROST ENDS TRAINING AT FORT RILEY

Army Recruit Ralph C. Frost, whose wife, Carole, lives at 262 First avenue, Daly City, recently completed eight weeks of combat training at Fort Riley, Kansas.

The 21-year-old soldier, son of Mrs. Hilda Norman, 1423 Sixth street, Eureka, is a 1955 graduate of Eureka High School. He was employed by Consolidated Western Steel Corporation, South San Francisco, in civilian life. His father, Ralph Frost, lives at 3517 N street, Eureka.

THIS latest remote control communications hookup at police headquarters gives Daly City the most modern and effective system of dispatching and supervising officers. Inspecting the recently installed addition is City Purchaser Bob Evans (standing) as Officer Jim Welsh demonstrates its effectiveness. The board at left locates each patrol car at any given moment.

THE RECORD photo

JC Trustees OK \$547,707 For Bruno Site

The board of trustees of San Mateo Junior College District last week accepted the boundary definitions for the north campus site in San Bruno and authorized the district attorney to complete the purchase of the main parcel of 103.689 acres plus entry and service roads at a total acreage cost of \$547,707.

The board authorized E. R. Stallings, San Mateo County Manager, to report to the board of supervisors that the district is willing to negotiate on the sale to the county of two small parcels of approximately 1.628 acres, the district property opposite the Delaware Campus on the east side of Humboldt street, north and south of State street, separate appraisals being the first step in negotiations.

Superintendent Julio Bortolazzo presented a detailed study of the rezoning problem of the Delaware campus and the potential future use of the campus for board study. No action on this material was taken at this time.

The board approved the establishment of instruction in specialized classes for mentally and physically handicapped adults on a year's experimental basis by the College Extended Day Division. This instructional program will be carried on in conjunction with the program of the San Mateo County Society for Crippled Children and Adults, Inc., and Children's Health Home which requested the cooperation of the college in setting up an educational program.

The Superintendent's report included final acquisition of the College Heights Campus site and reduction of operating costs of the San Mateo Junior College District for 1957-58, which showed a saving of \$45,000 over 1956-57.

The next meeting dates for the board of trustees were set for January 14 and 28 with special meetings with the architect on January 7 and 21.

Adult School In South SF Teaches Art

Because of popular response, the evening Adult Education section of the South San Francisco School District will offer an evening class in art.

The class will meet for the first time on January 5 at 7 p.m. in room D-28 at the high school. Registration will begin the first evening and the fee will be \$2 for registration and \$1 for tuition.

The art class will stress techniques and experimentation in water colors and oil paints. However, watercolor will be the medium primarily stressed.

Students will be required to purchase some materials. The class will last until the end of May.

TOO MUCH FLEXING

Underinflated tires flex too much, too much flexing leads to too much heat, and too much heat causes tires to deteriorate. National Automobile Club advises you to keep those tires properly inflated.

KARYN Williams, of Daly City, a senior at Westmoor High School, received a financial grant for research from Dr. Marvin L. Auerback (right), San Mateo, chairman of the student research committee for the San Mateo County Heart Association. Looking on is Dr. Leo S. Bell, San Mateo, president of the association. Miss Williams' project will cover the relation of hemoglobin to diet. Financial awards totaling \$800 were made to 15 students from six high schools.

MONDAY EVENING

'Horsemen's Chorus' To Invade Westlake For Xmas Serenade

Something new and different in the line of Christmas caroling is in store for residents of Westlake next week.

On Monday evening, December 22, the San Francisco Junior and Senior Horsemen's Associations will join to honor the Yule season with a group of caroleers on horseback. Some 100 horsemen are expected to participate, and following close behind them will be Santa Claus, riding in style in a gaily decorated sleigh drawn by prancing black horses, and surrounded by colorful Christmas packages.

The caroleers will start from the Mar Vista Riding Academy, Skyline at Alemany boulevard, at 7:30 p.m., with a route extending down Alemany to Eastgate; then entering the Westlake residential area and continuing down Glenwood, past Joe's of Westlake. At Lake Merced boulevard they will turn right, going into and around Westlake Shopping Center.

The mounted caroleers and the Christmas program are under the direction of Early Van Note, president of the San Francisco Senior Horsemen's Association; Miss Linda Sherman, president of the San Francisco Junior Horsemen's Association, and Mr. and Mrs. William Zappettini, of the Mar Vista Riding Academy.

RESEARCH PROJECT

Ben Franklin Eighth Graders Win Praise For Book On Presidents

"Learning through Research," is a recent experience of two eighth grades at Daly City's Benjamin Franklin School.

The two classes have compiled a noteworthy book of the achievements and lives of all the United States presidents. The project has been receiving letters of commendation from leading educators, parents and interested laymen throughout California.

The book, covered with a lineoleum cover, includes: acknowledgements, a dedication to the school boards of the nation for their contributions to public education, a message from the principal (Fred Schweickhardt) an introduction by the students, and an evaluation of the project by the teacher (P.B. Simmons).

Every student of the class contributed to the book by research, rewriting, illustrating and in assembling.

The book was mimeographed by the children, proofread, numbered, indexed and bound, in committee work. The mailing and distribution of copies was also accomplished by the students. The students are now replying with "thank you" letters to those received.

In addition to the actual writing and book assembling,

Lottery Bill Will Be Asked In Legislature

George R. Reilly, chairman of the State Board of Equalization, today announced that he will request a member of the legislature to present a California Sweepstake Lottery bill to aid in the raising of moneys for state revenue purposes.

"It has been conceded by all public officials," Reilly said, "that we face a minimum deficit of \$250 million. The imposition of additional taxes will no doubt be widely studied and discussed."

"Our public school system and public welfare programs are costly and should be met with revenue such as could be derived from a California Sweepstake Lottery," suggested Reilly. "I intend to request Assemblyman Alan Pattee of Monterey to present such a bill to the legislature in January with no personal commitment from him as to whether he is for or against such a revenue proposal."

Reilly warned that we must keep in mind that the state of Nevada advertises widely the invitation to gamble in that state, and that California is flooded with sweepstake tickets and similar games of chance that are responsible for a reduction in revenue to California.

Similar to the gasoline tax, which is earmarked for the sole purpose of maintenance and expansion of our highway system, Reilly proposes that the revenue derived from the California Sweepstake Lottery, if adopted, should be earmarked for education and public welfare. He also advocates the abolishment of the householder's personal property tax.

Chairman Reilly stated that the suggestion is worthy of serious consideration so that we may become familiar with the plan. Congress has a similar study before it at the present time and if the federal government passes legislation for a national lottery, the revenue will be lost to California and the other states forever.

SONGS AND SANTA

Broadmoor Opens 4-Day Christmas Festival This Saturday Evening

By Adrian Delfino
Broadmoor kicks off its annual Christmas festival this Saturday with a colorful program featuring the area's clergymen, caroling groups, a youth brass ensemble, and guest performers.

Scheduled to open 7:30 p.m., at the corner of 87th and Washington streets, Saturday's festivities will mark the start of Broadmoor's four-day festival, which closes Tuesday, December 23, with final judging and presentation of awards to winning carolers.

The open air program, backed by a generous stock of free refreshments coffee, cookies, chocolate and coke) will take place near the outdoor Nativity scene and bandshell erected by the Broadmoor Property Owners Association, sponsors of the festival.

As an added feature, the property owners group has invited Santa Claus to visit with Broadmoor homeowners during the four days of merrymaking. St. Nick arrives this Saturday, aboard a fire engine, in time to join Broadmoor's ministers in extending greetings of the season. Among local pastors scheduled to make an appearance on opening night are Rev. Downey of St. Martin's Episcopal, Father Farrell of Holy Angels, Rev. Marling of Hope Lutheran, Rev. Thomas of Broad-

moor Church of the Nazarene, and Rev. Tweedie of Broadmoor Presbyterian church.

Special guest artists opening night will be the United-Aires, Peninsula male chorus which is fast gaining popularity as a polished singing ensemble. The group, also featured in last year's opening program, returns with a new repertoire and more members. Highly acclaimed during their brief appearance last year, the United-Aires are employees of United Air Lines maintenance base at the International Airport. Although non-professionals, the group performs with the polish of professional ensembles, and specializes in close harmony and novelty arrangements under the direction of William Haynes, former concert band master.

Among caroling groups which made early arrangements for participation in the caroling contest are the adult, youth and junior choirs of Broadmoor Presbyterian church, the children's and adult choirs of Holy Angels church, and Girl Scout Troop 81 under Mrs. Charles Ecker, of 605 Larchmont, Colma.

The groups, augmented by other youth and adult singers, will be heard during the four nights of the festival. In case of rain, all activities will adjourn to the multipurpose room of the Garden Village School.

Highway Patrol Ready For Peak Holiday Traffic

Captain John W. Kennedy, head of the California Highway Patrol's area office (substation) in Redwood City, today issued an appeal to all motorists in the area to use extra care and caution while driving during the coming holiday season.

"The tragedy of a fatal traffic accident, great as it is throughout the year, is magnified when it occurs during the Christmas season," Captain Kennedy declared. "Any traffic law enforcement officer who has ever been called upon to perform that most difficult of all duties—to inform a person that a loved one has been killed—knows what this tragedy means. But he doesn't know it nearly as well as the victim's loved ones."

The highway patrol official said he has completed plans for a maximum enforcement program during the holidays. Particular attention, he said, will be given by his officers to the more hazardous, accident-causing violations.

"Excessive speed and right-of-way violations are two of the most frequent causes of traffic accidents. We will be especially alert for these infractions. We will also be attentive to those drivers who have been drinking because we want to get them off the highways before they get themselves and others into serious trouble," Captain Kennedy declared.

There is an urgent need for dolls at San Mateo County's Community Christmas Bureau.

In past years, there has always been a plentiful supply of dolls, but for some reason there are fewer dolls and more requests for them, than ever before. And what is Christmas to a little girl, without a doll? All sizes and kinds are needed.

Layettees are badly needed as well. There are several requests for maternity clothes. If you have some dresses in good condition, please call the Bureau at DI 2-6349.

Another request "high" on the list is for stretch socks. These are for both men and women, and most of them are patients at convalescent and nursing homes. Many of these oldersters would also enjoy a few packages of cigarettes.

Here is a wonderful, yet easy way to be of great help to the Christmas Bureau: A merchandise order would be greatly appreciated. Send a check or order to P. O. Box 1387, San Mateo.

Marcus Glover On Navy Oiler With 7th Fleet

Marcus E. Glover, interior communication electrician fireman, son of Mr. and Mrs. Melvin C. Glover of 99 Bepler street, Daly City, is serving aboard the oiler USS Ponchartraine, operating with the U. S. Seventh Fleet in the Far East.

B'nai Brith Date

Skyline B'nai Brith's installation of officers will be held on January 13 instead of the previously announced date of December 23, according to Mrs. Norman Tauber, publicity chairman.

The Town Record

By ROY HURLBERT

Xmas present for hard-working BOB HUNTER, city auditor, came early.

He passed the bar last week. Full-fledged lawyer with credentials.

Question of the week:

What ever happened to the Chamber of Commerce's idea (last spring) to stage a banquet honoring Daly City's high school athletes.

DC is the only burg on the Peninsula which lacks a booster group for its prep heroes.

Mexico-bound for the holidays are CAESAR ROMERO and Miss DOROTHY DUNCAN, secretary for Jeff High School District.

They aren't going together. Caesar is the popular instructor at DeLeon's Music Studio. Not the movie man.

Dorothy is taking her annual siesta in Mexico City and Acapulco.

The Franzoia family at 170 West Molke are getting lots of looks at their Christmas tree.

It's made of toothpicks. Patience, patience and lots of glue?

Though outnumbered 4 to 1, Mrs. RENA VALLERGA is holding her own on the Colma town council. She replaced Andrew Rovigno, who moved elsewhere.

Rena ran and lost in the spring election. Mayor is Ray Ottoboni. Others on the council are Wallace Honeywell, Mike Ryan and Earl Taylor.

New streets galore in the subdivisions south of Westlake. Eastmoor Avenue was the brainchild of City Clerk Evelyn Mosman. This is the strip of old Edgemoor road (now realigned) from Ocean Grove to Junipero Serra.

The council had to change the name to Eastmoor to avoid confusion on house numbers on Westmoor avenue from Junipero Serra to Skyline.

East is east and west is west and Evelyn had the answer. Eastmoor sounds pretty fancy, too.

The holidays bring welcome relief to two Westmoor High faculty members. TONY GLAMMONA, physical education director, and PETE MATISI, varsity football coach, both are on the doctor's list.

Glammona this week underwent surgery for a hernia. Matisi's kidney trouble may require an operation.

Jerry Kennedy Is Honored By 'Block J'

Jerry Kennedy was named Jefferson High's senior football "Player of the Year" last week at the annual fall semester sports banquet held in the school cafeteria.

Kennedy quarterbacked the Indian varsity this past campaign. He also was a standout in baseball last spring and is a member of the varsity basketball team.

The banquet, featuring awards to Block J winners in all fall sports, was attended by 170 persons, many of them fathers of the athletes.

Th girls' yell leading corps served the dinner.

BILL BROWN IN BOOT CAMP

Marine Pfc. William H. Brown, 18, son of Mr. and Mrs. Harold R. Brown of 464 "C" street, Colma, won himself three outstanding recruit awards at graduation ceremonies at the Marine Corps Recruit Depot in San Diego last week.

When recruit platoons complete their 11-week training, certain honorem, meritorious promotions and rifle awards are presented to outstanding recruits on graduation day. Brown was selected honorem of his own platoon and in

competition with honorem of other platoons, was chosen the outstanding recruit of all graduating platoons and given the certificate and title as "series honorem." He was also meritoriously promoted to his present rank.

Prior to his three-year enlistment at the Daly City recruiting office in August this year, Brown was graduated from Jefferson High School (in June 1958), where he lettered in varsity football two years. He will now go to Camp Pendleton at Oceanside, California, to receive four-week individual combat training. Upon completion, he will receive a 15-day furlough home and will report to Treasure Island for 16-week electronics schooling.

The lucky ticket wins a complete

DALY CITY DRUG CO.

6331 Mission St. PL 5-1445

THE Lutheran Institutional Mission Aid Soc. a service organization of the Lutheran-Tissouri Synod Churches of the San Francisco area, held their Christmas meeting Friday at

Bethel Lutheran Church. The ladies filled Christmas boxes with candy and cookies, which they have made for the patients at Laguna Honda Home and San Francisco Hospital. At

work, from left to right: Mrs. L. Matraga of Bethel Church, S.F.; Mrs. B. Rice of Hope Church, Daly City; Institutional Chaplain H. O. Theiss, Mrs. V. Bohlen of Christ Church, S.F., and Mrs. V. Williams, of Hope Church, Daly City. This group have decorated a ward at Laguna Honda and will give a Christmas Party there December 30.

Lecturer On Holy Land At Calvary Baptist

Colored slides, portraying important Biblical sites in the Holy Land, will be shown at Calvary Baptist Church, 5655 Mission street, on Tuesday evening, December 23, at 7:30 o'clock. This announcement was made today by the pastor, Rev. Roy H. Austin.

These pictures will be shown in connection with a message to be brought by the Rev. Earl Williamson, Lecturer on archeology, customs and civilization of the Middle East. The title of this message is "With Christ, From the Manger to the Cross". The pictures will be of sites related to the birth, life and ministry of Christ. There will also be some portrayal of customs which will serve as a visual aid to certain incidents referred to in connection with Jesus' ministry.

Williamson has been a student in this field for many years. A short time before the

REV. WILLIAMSON
... lectures here

recent crisis developed in that part of the world, he spent four months concentrating on the photographing of important Biblical sites and objects of Historic interest throughout the Middle East. He has served as business administrator, instructor and visiting lecturer in three eastern liberal arts colleges, and in a western theological seminary. He has been lecturing across the nation.

This service is open to the public. In keeping with the Christmas season, vocal solos will be sung by John Hockett.

UNITED last month at Church of the Visitation were Carol Bertelli and Leo Villar, both graduates of Jefferson High. The couple have made their home in San Bruno.

JEFF HIGH GRADS

Carol N. Bertelli Weds Leo Villar

Two Jefferson High graduates have established residence in San Bruno following their wedding on November 30 at Church of the Visitation in San Francisco.

Father Kraus officiated for the nuptial exchange between Carol Nellie Bertelli of Daly City and Leo Villar of Brisbane. The bride is the daughter of Mr. and Mrs. Emil Bertelli, 34 Bepler street. The groom's mother, Mrs. Andrea Villar, lives at 31 El Dorado, Brisbane. Miss Bertelli attended San Francisco State College and is employed as a secretary for Standard Brands in San Francisco. Leo attended College of

San Mateo and currently works for American Airlines.

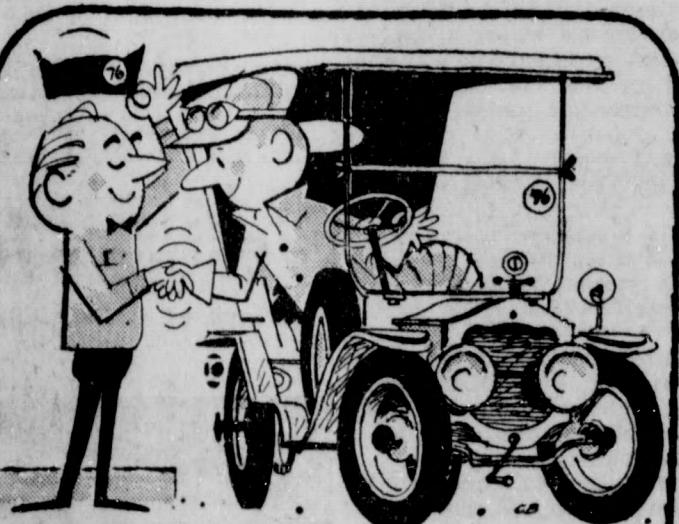

Diane Bertelli, the bride's sister, was maid of honor for the ceremony. Bridesmaids were Patricia Martorana, Margaret Ann Malugani, Lola Villar and Roberta Taylor.

The bride's brother, Dan, served as Leo's best man, Ushering were Frank Martorana, Tino Villar, Henry Villar and Robert Armstrong.

Dorthea Bertelli was the flower girl and Jerry Collar was ringbearer.

The reception was held at 101 Peoria street.

Reno was the destination of the couple's honeymoon trip.

My car is a vintage creation
But thanks to my Union Oil station
She never complains
Of rheumatic pains.
Her joints get Stop-Wear Lubrication!

Catholic Women Issue Reminder On Fashion Show

Only twenty-five days left—until Christmas, but until the date set by the Westlake Catholic Women when reservations may be made for their fifth annual luncheon and fashion show to be held at the Fairmont Hotel on Saturday, January 31.

Reservation chairman, Mrs. John Schaeffer and Mrs. Charles Wester, have announced that invitations will be in the mails by January 3, and that the reservations committee will be in the parish hall, 4 Elmwood drive, from 9 a.m. until 4 p.m. on January 10, to accommodate ladies wishing to attend the party.

Mrs. Donald Gordon, luncheon chairman, reported that all plans for the success of the party are progressing very well, and that the names of the models will be announced at the January meeting.

HOLY ANGELS XMAS DISPLAY CONTEST SET

The Colma Branch of the Italian Catholic Federation is again holding its "Outdoor Religious Christmas Display Contest."

The contest will cover homes located in the Holy Angels parish area (Broadmoor, Colma and lower Daly City) and will be judged this Friday evening, December 19, between 7 and 9 p.m.

Three trophies, donated by Westlake Realtors, Bank of America, and Gateway Chevrolet, will be awarded for the best displays. Also, the winners names will be engraved on the perpetual trophy.

Anyone wishing to have his home judged may do so by either signing up at Holy Angels parish or by calling Ario Gregori, PL 5-3395. Last year first place went to Leo Kusber Jr.

More than 99.9 per cent of Alaska's land is owned by the Federal Government.

subjects and infantry weapons.

MRS. EDWARD WHITSON

Brisbane's Xmas Seal Chairman Leads The Battle Against TB

By BARBARA SEMELMAN

"It's important to stamp out TB completely," declared Mrs. Edward R. Whitson, Brisbane Christmas Seal Chairman, in a recent interview.

She should know. She lost a brother to the disease in 1939. She recalls that he had contracted tuberculosis in the Navy, and spent seven years in a veterans hospital until it was arrested. But he failed to take the proper care of himself, and he broke down again with the disease. This time it was in a state too far advanced for cure.

Two years ago Agnes Whitson got an opportunity to fight back at the disease in a most effective way when she was elected to the board of directors of the San Mateo County Tuberculosis and Health Association. And as Brisbane Christmas Seal chairman for the past two years she has urged her neighbors to join in the fight against TB.

But though her dedication to this cause is earnest, the word "fight" seems strange to use in connection with the calm Mrs. Whitson, with her cheerful interest in people and her soft Georgia accent undiluted by 15 years of life in Brisbane.

Perhaps the real key to her personality lies in her home at 222 San Benito road, which she shares with husband Edward, a training coordinator at the U.S. Naval Shipyard in San Francisco; daughter Florence, a nurse at Community Hospital in San Mateo; a French poodle named Suzy, a parakeet named Blue Boy, and a cat named Demolay.

On entering the living room in the home, the first thing a visitor notices is Mrs. Whitson's loom. Much more than just a "conversation piece," the loom is a symbol of her very life. For it was through joining a weaving class in San Francisco 15 years ago that the then Navy wife became acquainted in a large city. And it is through teaching weaving as a volunteer that she satisfies her interest in people of all ages.

As a volunteer for children, Mrs. Whitson teaches weaving once a week at Natalie Lipman Intermediate School in Brisbane. As a volunteer at Crystal Springs Home, she has spent a full day each week for the past three years teaching oldsters the use of the loom. She is one of six volunteers in the weaving program at the rehabilitation center and was one of the program's founders.

Mrs. Whitson was awarded a life membership in the Brisbane PTA, of which she is a past president, for her volunteer work at El Portal School, where she formerly taught weaving to cerebral palsied children.

For a little social relaxation from her volunteer chores, Mrs. Whitson belongs to the Peninsula Weavers Guild!

Explaining the fascination of the loom, Mrs. Whitson said, "There's a tremendous satisfaction in watching your warp take on the shape of the things you plan. You can weave a lot of dreams into a warp."

And now you can begin to see why this peaceful weaver is an effective fighter in the organized war against TB. From its beginning 54 years ago, the voluntary Tuberculosis Association has always stressed the

values of building positive good health to prevent the disease, and the necessity for rehabilitating TB victims back to useful and productive life. It has been weaving a dream of a world free from man's ancient enemy—tuberculosis.

The little Christmas Seals that Mrs. Whitson urges her Brisbane neighbors to buy will one day make this dream come true.

OBITUARIES

Carrie Stahlman

Funeral services were held last week for Mrs. Carrie Stahlman, mother of William J. Stahlman, of 61 Rice street.

She died December 5 in a Visalia hospital on her 86th birthday.

Mrs. Stahlman was a member of Grace Lutheran Church and American Legion Auxiliary 18. Born in Illinois, she lived in Visalia the past 20 years.

Survivors include two other sons, five grandchildren and four great-grandchildren.

Funeral services and burial were conducted in Visalia.

Johanna Hedvall

Funeral services were conducted Monday afternoon for Mrs. Johanna Hedvall, 86, who lived at 376 Santa Barbara avenue. She died Friday at Junipero Serra hospital.

Born in Finland, she had lived in San Mateo county 51 years.

She is survived by her husband, Peter; two sons, Arthur and Raymond, and five grandchildren.

She was a member of the Star of Finland, Royal Neighbors Vista Grande Camp 6035, and a charter member of Hillcrest Circle 143, UAOD.

Lasswell's handled funeral arrangements. Interment was at Golden Gate National cemetery.

MRS. Edward R. Whitson, Brisbane Christmas Seal chairman, gives helpful hints to one of her weaving pupils, John Bertelsen, a patient at Crystal Springs Home. She began to teach the 76-year-old "student" to weave three years ago, shortly after he recovered from tuberculosis. Bertelsen is a former San Bruno resident.

World War I Vets Group Enlists Six

Six more men joined the fast-growing World War I Vets group here last week during its second meeting at Daly City War Memorial building.

The unit, which soon hopes to establish a "barracks" here with regular meetings, hosted several veterans officials last week. Heading the visitors was Carl Nelson, Second Area commander, quartermaster and past commander of San Francisco Barracks 68.

Handling the program were Blaine Glendenning, deputy chief inspector, and Fred Sayset, Second Area chief of staff. All World War I service veterans are eligible to join the Daly City group. For information, call JU 7-4891.

Librarian Tells Holiday Hours

City Librarian Samuel Chandler today announced the holiday schedule for the two library branches here.

The libraries will be open every day during the holiday season from 10 a.m. to 9 p.m. except from noon on December 24 to 10 a.m. December 26, and from noon December 31 to 10 a.m. on January 2.

Acting on invitation of Chandler and the president of Friends of the DC Library, the Daly City Garden Club has decorated both the Westlake and Mission libraries for the Yule season.

Each library has a Christmas tree in its main window.

B'moor Church Xmas Services Slated Sunday

Broadmoor Presbyterian Church invites the public to take part in Christmas services this weekend.

Along with the 9:30 and 11 a.m. Sunday School sessions, there is the coffee class for adults at 9:30 a.m. with informal hymn singing and a Bible discussion of Christmas led by the pastor, Rev. Herbert Tweedie. Then there is the 11 o'clock Sunday worship service with the choir and the pastor bringing the Christmas message. Infants will be baptized at this Christmas Sunday service.

Sunday evening at 7 o'clock, the Sunday School Christmas Program will be given in the sanctuary by the primary and junior departments. This program is open to everyone. Monday at 6:15 p.m. there is a family potluck supper sponsored by the junior high department for everyone, also. The Christmas play entitled, "Almost An Angel," will be presented by the young people at 7:15 p.m.

FIRST BAPTIST CHURCH LISTS HOLIDAY PLANS

First Baptist Church of Linda Mar has a busy holiday schedule, according to the Rev. Ivan B. Estes.

It begins this Thursday night with adults trimming the Christmas tree at the church, starting at 7:30 p.m. Sgt. Otis Strong, class president, will be in charge.

On Saturday, rehearsal and a party previewing Christmas Sunday will be held from 1:30 to 4 p.m. A movie will be shown, Santa Claus will be present, and refreshments will be served under the direction of Mrs. Ivan Estes. Mrs. Calvin Warner and all the Sunday School teachers.

STATE OF CALIFORNIA DEPARTMENT OF PUBLIC WORKS DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p.m. on January 7, 1959, at which time they will be publicly opened and read in the Assembly Room of said building, for construction on State highway in accordance with the specifications therefor, to which special reference is made, as follows:

San Mateo County, in Daly City, between Shakespeare Street and Theta Avenue (IV-S.M-2-DIC), channelization to be constructed and traffic signal system to be furnished, installed and modified.

Bids are required for the entire work described herein.

In accordance with the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done to be as follows:

Rate	Classification
\$3.00	Apprentice (oilier, fireman, heavy duty repairman helper)
3.325	Carpenter
3.37	Cement mason
3.10	Compressor operator
2.765	Concrete laborer (wet or dry)
3.10	Concrete mixer operator (up to one yard)
4.066	Electrician
2.685	Flagman
3.55	Heavy duty repairman
2.935	Jackhammer operator
2.685	Laborer
2.785	Operator of vibrator and all pneumatic, gas and electric tools
3.30	Painter (brush)
3.60	Painter (spray)
3.55	Pavement breaker operator
3.75	Power blade operator
3.60	Reinforcing iron worker
3.50	Roller or self propelled compactor operator
3.85	Structural and ornamental iron worker
3.70	Tractor loader operator (up to two yards)
3.85	Tractor loader operator (two yards or over)
2.75	Truck driver — under 4 yards (water level)
2.89	Truck driver — 4 yards and under 6 yards (water level)
3.10	Truck driver — 6 yards and under 8 yards (water level)
3.35	Truck driver — 8 yards and over (water level)
2.925	Water truck driver — under 2500 gallons
Any	classification omitted herein not less than \$2.685 per hour.

Overtime—not less than one and one-half (1½) times the above rates.

Sundays and holidays—not less than one and one-half (1½) times the above rates. The holidays upon which rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project.

Plans, specifications, and standard proposal form to be used for bidding on this project can only be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California.

Plans and specifications may be seen at the office of the State Highway Engineer at Sacramento, at the offices of the District Engineers at Los Angeles and San Francisco, at the office of the District Engineer of the district in which the work is situated, and at the office of the Associated General Contractors in San Francisco.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Proposal Requirements and Conditions set forth under Section 2 of the Standard Specifications. Each bidder must be licensed and also pre-qualified as required by law. (See said Proposal Requirements and Conditions.)

The Department of Public Works reserves the right to reject any or all bids.

DEPARTMENT OF PUBLIC WORKS, DIVISION OF HIGHWAYS.

Candy-Cookie Sale Sunday Aids Parish

With Christmas and gift-time fast approaching, the Westlake Festival Committee of Our Lady of Mercy Church will hold its holiday Candy-Cookie Sale this Sunday, December 21. Chairman for this event is Mrs. Victor Schoenstein, who will be assisted by Mrs. Anthony Formosa.

A variety of cookies, baked

by the women of the parish, home-made fudge, and Christmas candies are among the items which will be offered for sale. The home-made goodies will be reasonably priced and attractively packaged in gay holiday containers, and make wonderful last-minute gift ideas for hard-pressed Christmas shoppers.

The sale will take place at Our Lady of Mercy Church, 1 Elmwood drive in Westlake, after the 7 a.m. Mass and after each Mass on the hour until 1 p.m. Proceeds will go toward providing a second school for the parish.

Fresno County is the nation's leading fig producing area, with 55 per cent of California's total.

All Sing As Jeff High PTA Previews Xmas

A program of enchanting Christmas music dominated the Jefferson High School PTA meeting last Thursday evening.

Dave Manning, school instructor, lead the all-girl choral group in a selection of popular Xmas songs. After this, the audience joined in several other songs. Mrs. John Mongan was accompanist on the piano.

Surprise of the evening consisted of two separate groups of student instrumentalists. One

group was at the front of the room and the other at the back. They alternately relayed various yuletide selections, much to the delight of the audience. Saxophones were: Carol Boyer, first alto sax; Bob Bennett, second alto sax; Jim Lufano, tenor sax, and Bernard Rivera, baritone sax.

The second set of students consisted of Dennis Draper and Jack Hubby, first trumpet; Doug Bradford, second trumpet; Mike Grimes, third trumpet; Ken Bennett, baritone, and Edwin Printemps, tuba.

Richard Larson, band director, was in charge.

Refreshments were served after the festivities.

OFFICIAL NOTICE OF SALE OF SCHOOL DISTRICT BONDS

NOTICE IS HEREBY GIVEN that sealed proposals will be received by the Board of Supervisors of the County of San Mateo, State of California, at the office of the County Clerk and ex-officio clerk of said Board of Supervisors in the Courthouse, City of Redwood City in said County, California, on TUESDAY, the 13th day of JANUARY, 1959, at the hour of 10 o'clock A.M. for the purchase of bonds of JEFFERSON ELEMENTARY School District, State of California, more particularly described below:

ISSUE: \$95,000.00, 1955 School Bonds, Series F, consisting of 95 bonds of the denomination of \$1,000.00 each, numbered F-1 to F-95 inclusive. Said bonds are part of an authorized issue in the aggregate principal amount of \$1,486,000.00, of which \$203,000.00, designated Series A, have heretofore been issued and \$173,000.00 are now outstanding; (\$241,000.00, designated Series B have heretofore been issued and \$217,000.00 are now outstanding; \$55,000.00, designated Series C have heretofore been issued and \$45,000.00 are now outstanding; \$290,000.00, designated Series D have heretofore been issued and \$280,000.00 are now outstanding; \$370,000.00, designated Series E have heretofore been issued and are now outstanding;

(The remaining \$232,000.00 principal amount of said authorized issue may be sold when and as determined by said Board of Supervisors, but is anticipated will be offered for sale prior to JUNE 1, 1959.)

DATE: All of said bonds are dated JANUARY 1, 1959. INTEREST RATE: Maximum five (5) per cent per annum, payable annually for the first year on JANUARY 1st, 1960, and semi-annually thereafter on JULY 1st and JANUARY 1st in each year. Bidders must specify the rate of interest which the bonds here offered for sale shall bear. Bidders will be permitted to bid different rates of interest and split rates irrespective of the maturities of said bonds. The interest rate or rates stated in the bid must be in multiples of 1/8 or 1/20 of one per cent per annum, payable as aforesaid.

MATURITY: Said bonds mature serially in consecutive numerical order from lower to higher (without option of prior redemption) as follows:

PRINCIPAL MATURITY AMOUNT	DATES
1,000.00	JANUARY 1st 1960 to 1978, both inclusive.

PAYMENT: The principal and interest payable in lawful money of the United States, at the office of the County Treasurer of said County. REGISTRATION: Coupon bonds will be issued by said Board of Supervisors on behalf of said District. Such bonds are registrable only as to both principal and interest.

PURPOSE OF ISSUE: Said bonds were authorized by more than two-thirds of the voters voting at an election held in said District on DECEMBER 7, 1954 and will be issued and sold for the purpose of raising money for authorized school purposes.

SECURITY: The bonds are general obligations of said District, and said Board of Supervisors has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within said District, subject to taxation by said District (except certain intangible personal property, which is taxable at limited rates), without limitation of rate or amount.

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds the income received by private holders on bonds of the same type and character shall be declared to be taxable under any Federal Income Tax laws, either by the terms of such laws or by ruling of a Federal Income Tax authority or official which is followed by the Internal Revenue Service or by the decision of any Federal Court, the successful bidder may at his option prior to the tender of said bonds be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying the bid will be returned.

LEGAL OPINION: The purchaser will be required to furnish his own legal opinion as to the legality of said bonds.

Terms of Sale: HIGHEST BIDDER: The bonds will be awarded to the highest responsible bidder or bidders considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the District would be required to pay from the sale of said bonds to the respective maturity dates thereof.

RIGHT OF REJECTION: The Board of Supervisors reserves the right in its discretion to reject any and all bids and waive any irregularity or informality in any bid. PROMPT AWARDS: The Board of Supervisors will take action awarding the bonds or setting all bids not later than hours after the expiration of time herein prescribed for

receipt of proposals; unless such time of award is waived by the successful bidder.

PROMPT DELIVERY: Delivery of said bonds will be made to the successful bidder at the office of the County Treasurer of said County as soon as the bonds can be prepared which it is estimated will be within 30 days from the day of sale, but not prior to the date of the bonds.

RIGHT OF CANCELLATION: The successful bidder shall have the right, at his option, to cancel the contract of purchase if the bonds are not tendered for delivery within 60 days from the date of sale thereof, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

FORM OF BID: All bids must be for not less than all of the bonds hereby offered for sale, and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope addressed to the Board of Supervisors of said County, and endorsed "Proposal for School Bonds of JEFFERSON ELEMENTARY School District, of San Mateo County."

BID CHECK: With each bid must be submitted a certified check or cashier's check for \$5,000.00, drawn on a bank or trust company transacting business in the State of California, payable to the order of the County Treasurer, to secure said District from any loss resulting from the failure of the bidder to comply with the terms of his bid. In addition bidders are requested (but not required) to supply an estimate of the total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the District. Checks of the unsuccessful bidders will be returned by the County Clerk by mail, upon the award of the bonds. No interest will be paid upon deposit made by the successful bidder.

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of said District, or the title of the officers to their respective offices.

Dated: DECEMBER 9th, 1958. JOHN A. BRUNING, County Clerk and ex-officio Clerk of the Board of Supervisors of San Mateo County, State of California.

Pub. December 18, 25, 1958

GIRL SCOUTS BEGIN PLANS FOR BIG SHOW

An organization meeting for the committee on "Girl Scouts-in-Action" was held the evening of December 8 at the home of Mrs. Merle Josselyn.

Mrs. Helen Duke was selected chairman of the affair.

Purpose of this third annual demonstration exhibition program is to acquaint the general public with the type of work the Girl Scouts do.

The event will be held in the Daly City Memorial building and a tentative date has been set for Saturday, April 25, from 1-4 p.m. The general public will be invited to attend at no admission charge.

The model of San Francisco Bay built by the Army Corps of Engineers duplicates a complete lunar day in 14.9 minutes.

INVITATION FOR BIDS ENGINEERED AND SURCHARGED FILL FERNANDO RIVERA SCHOOL

Notice is hereby given that the Jefferson Elementary School District, San Mateo County, California will receive bids for the furnishing of all labor, material, transportation, plant and services for the Engineered and Surcharged Fill for the Fernando Rivera School upon public school property located at Merced Boulevard, Daly City, San Mateo County, California and all appurtenant facilities on the school site.

Each bid shall be in accordance with the plans and specifications and other contract documents now on file with the Board of Trustees of the Jefferson Elementary School District, San Mateo County, California and at the office of the Architect, Mario J. Ciampi, Associate Architects, Allyn C. Martin, Paul W. Reiter, 425 Bush Street, San Francisco, where they may be examined and copies obtained by General Contractors licensed by the California State Contractors License Bureau upon deposit of a certified check in the amount of \$25.00.

Bidders are responsible to see that they obtain a complete set of plans, specifications and contract documents covering the work upon which they submit a bid.

Bidders are hereby notified that the wage scale prevailing in this area has been adopted by the School District as the rates which shall be applied to said project and are set forth herein below. The wage rate applicable for a craft not herein-after listed shall be the rates prevailing for said craft as adopted by the San Mateo Building and Construction Trade Council.

Bids for said project shall be made on the form that is included in the specification and shall be accompanied by a certified cashier's check or bid bond for at least ten (10) percent of the amount of the bid, made payable to the order of the Jefferson Elementary School District, San Mateo County, California; the bids shall be sealed and filed with the Board of Trustees of the Jefferson Elementary School District, 48 Park Plaza Drive, Daly City, San Mateo County, on or before Friday, January 16, 1959 at 10:00 A.M. of said day when all bids for the Engineered and Surcharged Fill for the Fernando Rivera School will be opened and publicly read aloud.

The above mentioned check or bond shall be given as a guarantee that the bidder will enter into the contract if awarded to him and will be declared forfeited if the successful bidder refuses to enter into said contract.

The Board of Trustees of the Jefferson Elementary School District reserves the right to reject any or all bids and to waive any informality in the bid.

No bidder may withdraw any bid submitted by him for a period of 30 days after the date set for the opening thereof.

DC Soldier In Germany

Army Pvt. Robert J. Olacsi, whose wife, Leetta, lives at 2837 Pacheco street, San Francisco, recently arrived in Germany and is now a member of the 18th Artillery.

Olacsi, a survey tapeman in the artillery's Battery C in Darmstadt, entered the Army last May and completed basic training at Fort Ord.

The 23-year-old soldier is a 1953 graduate of Balboa High School. He was employed by Southern Pacific Company in civilian life. His mother, Mrs. Helen R. Olacsi, lives at 144 Crestwood drive, Daly City.

Business Outlook Here Encouraging Next 12 Months

The general outlook for business in the Daly City area for the next 12 months is very encouraging, according to Donald M. Geesey, vice-president of Systematic Savings, writing in the current issue of the Savings and Loan Journal, monthly trade publication of the California Savings and Loan League.

In the article, which features comments on local business conditions by savings association executives from throughout California, Geesey reports that this is a growing area with the demand for homes and apartments still exceeding the present supply and construction progress within the city limits is at an all time high.

"It would appear that the effects of the latest recession were felt very little in this area, although the tight money policy of the government was definitely an effective restraining factor upon business while it lasted," writes Geesey.

"Business statistics for the first nine months of 1958 show a marked improvement over the figures for the same period last year: building permits for new residential construction are nearly 100 per cent higher; loan recordings are nearly 30 per cent higher; savings are nearly 40 per cent higher; and real estate transfers are much more numerous."

Commenting on his own savings and loan business, Geesey states that during the past few months interest rates have been increasing almost as rapidly as they had declined at the beginning of the year, and if this trend continues the current rate of 4 per cent paid on savings will probably remain unchanged during 1959.

Bethel Church Youth Chorus Sings Sunday

The Sunday School of Bethel Lutheran Church, Alemany boulevard and Huron avenue, will observe the Festival of Christmas with two services this Sunday. A children's chorus of 40 voices will sing, under the direction of Miss Gladys Schultz.

In order to accommodate the large number planning to attend, the first service will be held at 4 p.m. The families whose names begin with the letters A-J will attend at that time. The second service, which will be a duplicate of the first, will be conducted at

6:30 p.m., and all families whose names begin with the letters K-Z will attend at that time.

Sunday School and Adult Bible Class will be conducted this Sunday morning at 9:30 o'clock. Divine Worship begins at 8 and 10:45 o'clock. These services will be devoted to the Advent theme in preparation for Christmas.

Orloff Issues Reminder On Christmas Seals

Reminders are being sent out to local residents by the San Mateo County Tuberculosis Association, according to Martin Orloff, Daly City and Colma Christmas Seal chairman.

"During the rush of holiday preparations, it's easy to overlook paying for Christmas Seals," Orloff said. "Unfortunately, however, tuberculosis doesn't stop for a holiday vacation—it keeps on striking another American every six minutes. And we can't stop now in our fight against this ancient enemy, which is still our number one infectious killer."

"Christmas Seals work all year round to combat TB through free X-rays, health education, rehabilitation of victims, and medical research. When you pay for your seals you help continue this indispensable work."

Almost all of California's quicksilver mines are located in the Coast Ranges between Lake and Santa Barbara counties.

SHORE OFFICIATES

150 See B'nai Israel Ceremony Installing New Officers For '59

Congregation B'nai Israel installed new officers at Daly City War Memorial building as a gathering of 150 persons participated in the impressive ceremony. Rabbi Solomon A. Shore officiated.

Elected to serve in 1959 were: Paul Lichtman, president; Morton Dobrow, vice president; Rudy Solomon, secretary, and Bernard Rubin, treasurer.

The Sisterhood, installed by Mrs. Lillian Shore, seated Mrs. Mildred Hart as president.

In addition, the Men's Club elected Robert Berman as its new leader for next year. He succeeds Ernest Hartman.

Because of the Chanukah Festival (which American Jews are now celebrating), eight ladies were chosen to represent a living Menorah, each holding

a candle while Rabbi Shore performed the ceremony. Entertainment was provided by a dancing group from Mason and Kahn studio.

President-elect Lichtman, who served as vice president last year, said in his acceptance address that he would make every effort to make this congregation one of the leading conservative congregations on the Peninsula to serve Daly City area Jewish families.

Outgoing president Pinkus was praised for his "hard work and devoted service the past 12 months."

Congregation B'nai Israel is awaiting publication of its 50th Anniversary Journal which will mark the story of a half century of religious service rendered to Daly City's Jewish families.

Nazarene Church Xmas Program In Broadmoor

Christmas services at Broadmoor Church of the Nazarene will be held this Sunday.

In the Sunday School hour at 9:45 a.m., a film strip on the birth and youth of Christ will be shown. At the morning worship service, a special solo, entitled "Star of the East," will be sung by Lucille Marrs. The pastor, Vernon E. Thomas,

will bring the last in a series of sermons, entitled, "God—With Us."

The Annual Sunday School Program will be held at 7 p.m. Recitations will be presented by the beginners and primary students. The junior girls will present a pantomime of a Christmas carol, entitled "Angels from the Realm of Glory."

The instrumental numbers will be a violin solo by David Edwards and a trumpet solo by James Park. A pageant will be presented by the junior and intermediate classes entitled "Adoration of the Shepherds and Kings." Treats will be

Jefferson Cagers Seek PA Tourney Title Repeat

Reitz Top Scorer

INDIANS GRAB THIRD PLACE IN PENINSULA LEAGUE SCRAMBLE

Finishing third in the Peninsula League tourney last week, Coach Mike Orlich's Jefferson varsity cagers resume the exhibition trail this Thursday night in the first round of the Palo Alto Invitational down south.

The Indians are the Palo Alto tourney defending champs, having copped the title last year with three straight wins.

The three-day field tourney includes Bellarmine of San Jose, Cubberley of Palo Alto, Washington of San Francisco, Hillsdale, Marysville, Menlo-Atherton and Palo Alto. Jeff opens Thursday night at 9 against Palo Alto.

Orlich, figuring his squad will be in the thick of the Peninsula League title race, will start forwards Roy Reitz and Ernie Howren, center Pete Garcia, and guards Art Banos and Jack Horn.

Reitz was sensational last week in the PL affair, winning a berth on the All-Tourney squad.

The Indians opened with a 24-17 win over newcomer Mills High. Next night the Daly City five lost to the eventual champ, Capuchino, by a 46-34 tally. Jeff clinched third place Saturday night by beating Hillsdale, 48-29.

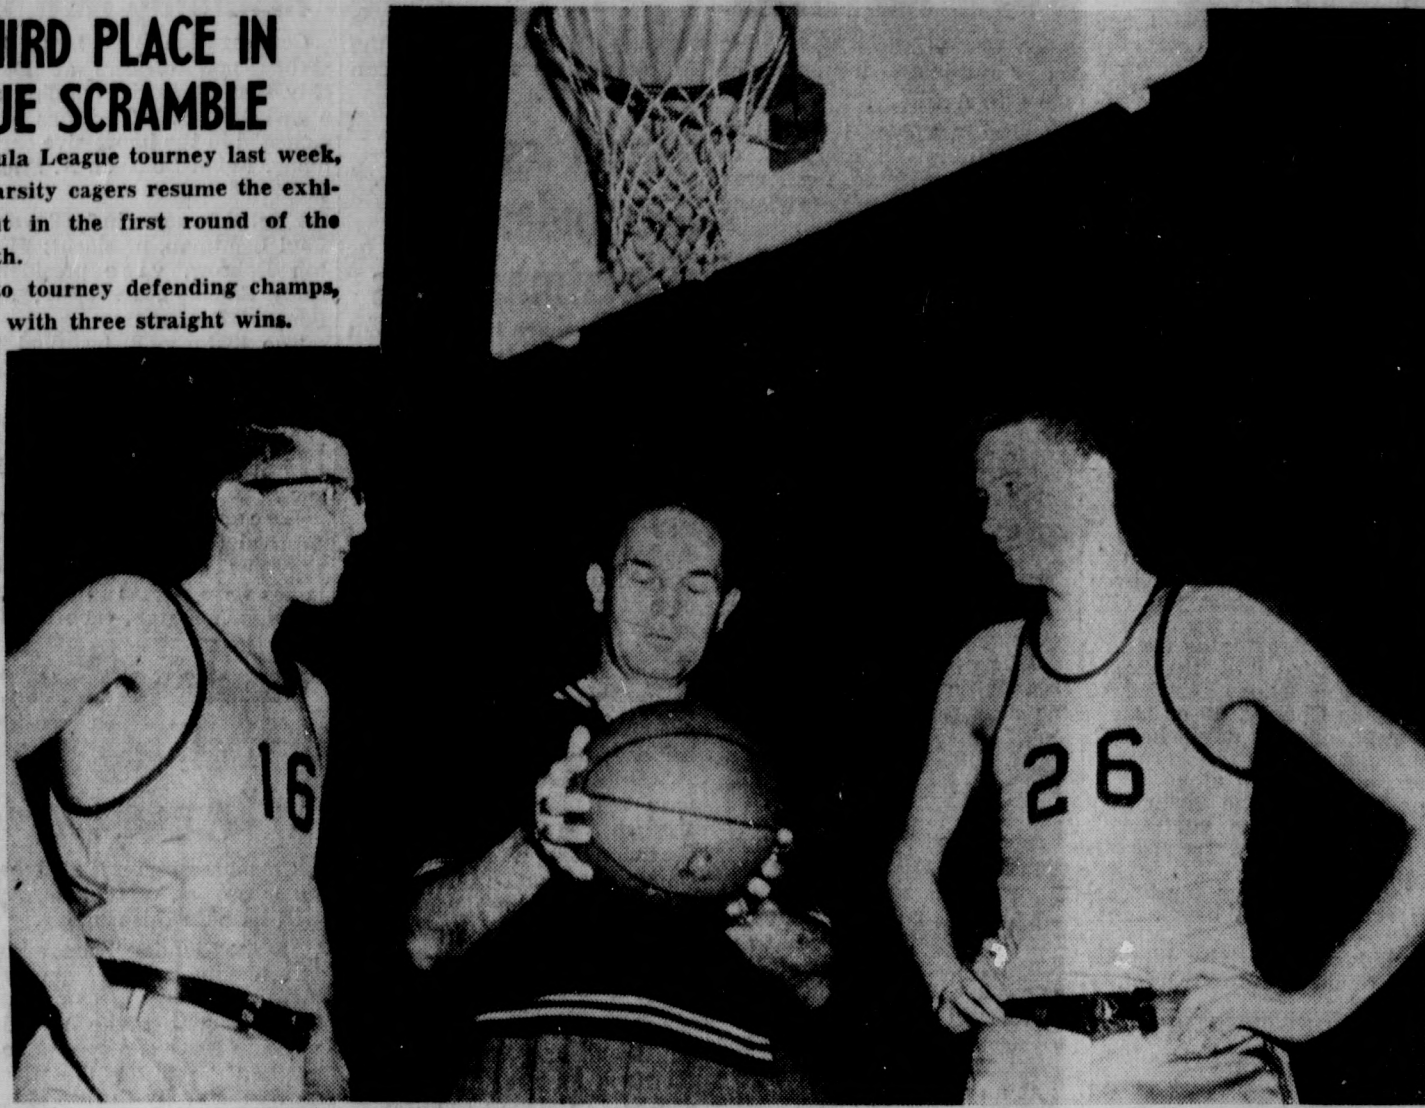

Reitz, the senior southpaw, was the tourney's top scorer with 48 points for three tilts. He hit 13 against Mills, 20 against Cap and 15 against Hillsdale.

Howren, with only seven points in the first two games, unloaded for 14 against Hillsdale. Once Ernie hits his stride, the Indians will be rolling for keeps. Garcia handled his pivot duties well, and the guards, both juniors, are coming along, Orlich said.

Capuchino wrapped up the tourney crown Saturday night with a 43-39 verdict over Burlingame. Kit Ruona led the winners with 18.

Coaches believe this year's league scramble will be a wide-open fight, with Jeff bunched among the favorites—Cap, Burlingame and Hillsdale.

Best individual effort in last week's tourney was Al Lanza's 25-point splurge though his

New Swimming Classes Set In Jeff Pool

Director Mike Orlich today announced that new adult swimming classes will be held on Wednesday nights at Jefferson High School pool, beginning January 7, at 7 p.m. Persons interested in signing up should call the Jeff gym, PL 5-2511.

South City mates lost to San Mateo, 62-55.

The Jeff 30's and varsity met Galileo of SF Tuesday at Kezar. Results were not known at press time.

JEFF varsity basketball hopes ride this season on the shooting arms of seniors Roy Reitz (left) and Ernie Howren, two of the best forwards on the Peninsula. Coach Mike Orlich takes his squad to the three-day Palo Alto Invitational tourney this

Thursday night. Jeff won the Palo Alto tourney last year and finished second in league play for the third straight year. The Indians took third in the Peninsula League Tourney last week at San Bruno.

WESTMOOR BASKETBALL

Holmgren All-Tourney But Rams Lose Twice

Westmoor High's cagers, outgunned in the pre-league Peninsula Tournament last week, will battle Lick-Wilmerding's 30's and varsity this Friday at 3 p.m. in the Westmoor gym.

Byron Van Alstyne, 30's coach, will direct both Ram squads. Varsity Coach Tony Giammona is in the hospital for surgery. This will be the last outing for the locals until the week of January 5.

gren bagged nine field goals for 18 points and Dougherty had 11 points. Colombo led SSF with 18.

Holmgren was named to the All-Tourney team. Capuchino took the tourney title Saturday by dumping Burlingame.

The Ram varsity is 1-4 for the year, having also lost two pre-tourney exhibitions to San Rafael. Their lone win came over Lick-Wilmerding. Westmoor's 30's are unbeaten three practice games.

Van Alstyne could have real contender in his 30 squad. Leading the attack are Barry Krohn, Ed Waltham, Dan O'Connor, Andy Sarachock, Bob Goodwin, Ter Christian and Bill Reynolds.

Giammona's starters on the varsity are Holmgren, Dougherty, Dick Reese, Dave Simon, Bill Mannion and Galt Twitty.

Joe Sarto AC Juniors Meet Village Nine

Baseball action resumes at DC's Marchbanks Park this Sunday at 2 p.m. when the Sarto AC Jrs. meet Little Village.

The Sarto Club, coached by Andy Pilara and big leaguer Don Mossi, nipped the St. Ignatius Orioles here two weeks ago, 2-1.

SF State Cagers Enter Tourney

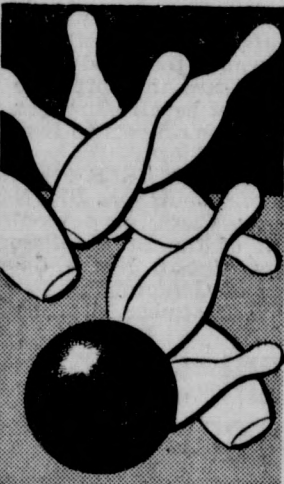

SF State College's cagers will be among the favorites in the fifth annual Far Western Conference Invitational basketball tournament, opening this Thursday and ending Saturday at Arcata.

The other teams are Willamette University, Sacramento State, Chico State, Nevada, Humboldt, California at Davis, and Southern Oregon.
